Subject: Protests

Hello Anita:

From the Prairies I am beyond disappointed and disgusted by the behaviour of protesters in Ottawa. The Tomb of the Unknown soldier — breaks my heart as my Dad was in WW11 and sacrificed for all of us. It is time to stand up against bullies. We have a wonderful country to be so proud of and yet we are making news all over the world thru the actions of idiots.

Why have the military not been called in to protect what means so much to our country ? I have had enough of Covid but am willing to follow the rules, follow the science to make for a better world. I have had it with those who think it is alright to be shameful, disrespectful and ignorant.

Regards
